**Small Animal or Mixed Practice Vets including new graduates are encouraged to apply.**

"The MBVC workflow is efficient, with appropriate staffing and time for consultations/procedures prioritised. Vets have adequate time for work-ups and write-ups written into the schedule and you can leave the clinic feeling accomplished, without a pile of work built up to conquer the next day. Clients are trusting of the long-term relationships they have built with the MBVC team and were mostly welcoming of a new face in the consult room. The clinic itself is large and well-designed, meaning that the work flows well through the building, while there is also sufficient space for research, thinking things through and down-time to catch-up. The team at MBVC are welcoming and supportive, everyone pitches in to do their bit - it is a pleasure to come to work." Dr Chelsea (Locum Vet January 2021)

"MBVC is well organised and efficient, regular staff & vet meetings are held, it feels great to have an employer who is willing to invest in staff through regular training" Dr. Aislinn (Associate Veterinarian)

- We promise to support both your mental wellness as well as your technical skills. We provide these services in multiple ways such as: regular positive feedback, staff meetings, training, "real" lunch breaks and a mental wellness program that includes AccessEAP employee assistance.
- Being a privately owned veterinary clinic means you aren't just a number you are part of our family that we want to see grow and succeed.
- It also means we have great pride in our amazing purpose built hospital that has all the toys that you will find in all modern practices.
- You will never be on your own when it comes to making tough decisions. We have multiple senior vets keen to support you with cases, shared after hours duty, 5 weeks annual leave and 1 week study leave per year?
- We welcome you to contact any current or past employees to discuss what it is like to be part of the Murray Bridge Veterinary Clinic team

- ✓ Looking to be part of a team where you feel valued?
- ✓ Would you like to work 4 days a week?
- ✓ Want to utilise or enhance your current skills in a supportive team with an interesting caseload?
- ✓ Does being part of a community in an amazing area sound too good to be true?
