FASTING PROCEDURE

If your pet is having a general anaesthetic or sedation it needs to be fasted.

The procedure is:

NO FOOD after midnight the night before surgery, leave **WATER** with your pet overnight

All Pets must be **Flea-Free** on the day of surgery —see staff for assistance

The clinic opens at 8.00am

Admissions for surgery are at 8.00am Monday - Friday

Please allow 15 minutes to speak with the surgery vet at this time

Dental surgery is done after sterile surgeries, so patients will go home later in the day

Please make sure dogs are on leads and cats in a secure container (plastic and cardboard boxes are available for purchase from the clinic) Unfortunately we don't have cages to loan out.

Your pet's appointment is:
